

International Symposium on Applications of Thermal Analysis and Calorimetry (SATIC-2021; Dec 21-22, 2021)

**Venue: University Department of Chemistry, Magadh University, Bodh Gaya
in association with
Indian Science Congress Association, Patna Chapter**

Letter to the participants presenting papers

Dear Participant,

To avoid any network or technical issue during the presentation the participants presenting papers are requested to create recorded video presentation of your paper. The following points may kindly be noted:

1. The presentation could be prepared using Microsoft Power Point.
2. The details can be found at:
<https://www.askdaveytaylor.com/how-to-record-powerpoint-presentation-slide-show-save-it-mp4-movie/>
3. After preparing the power point, you may do the recording. Thereafter, you have to upload it using the Google form link:
<https://forms.gle/VdrbG3oLb4TFtKvW8>
4. The Time for presentation should be 10 minutes. It shall be followed by a question answer session.
5. You must be present during the paper to answer any question by any audience/panel member.
6. You are requested to **upload it by 6pm (IST) on 18.12.2021**

Detailed programme will be displayed on the conference portal on 19.12.2021.
There are plans to have a pre-symposium lecture on 20.12.2021

**Chairman
SATIC-2021**
